

eTrex® 22x

Popular Handheld GPS with Enhanced Memory and Resolution

Product Overview : Explore with confidence with eTrex22x, rugged GPS handhelds with 2.2" sunlight-readable colour displays. They come preloaded with TopoActive mapping featuring routable roads and trails to explore when cycling and hiking. Add even more maps via the microSD™ card slot and 8 GB of internal memory. Dual-satellite support (GPS and GLONASS), it tracks in more challenging environments than GPS alone.
